In my email of this morning I inadvertently failed to mention that, under the Public Records Act (PRA), you may also request copies of the Prosecution Staff documents. If you want copies, please contact Matt Thompson. The Water Board's PRA policies are at [http://www.waterboards.ca.gov/public\\_records/public\\_recordsact\\_guidelines.pdf](http://www.waterboards.ca.gov/public_records/public_recordsact_guidelines.pdf)
